

## **Ambow Announces Partnership with Oracle to Provide the Workforce Development Program**

BEIJING, Jan. 31, 2012 /PRNewswire-Asia/ -- Ambow Education Holding Ltd. ("Ambow" or the "Company" NYSE: AMBO), a leading national provider of educational and career enhancement services in China, today announced a partnership with Oracle to provide the Workforce Development Program (WDP), a unique training program developed by Oracle that is ideally suited for Ambow's career enhancement students.

This program will provide accessible and affordable IT training to Ambow's career enhancement students with the purpose of preparing these students for Oracle certification exams. Graduates of Ambow with a WDP certificate will have greater access to entry level positions with Oracle application requirement, a competitive advantage over those without this skill set, and moreover, greater opportunities for career advancement. The WDP not only addresses the long-standing difficulty that businesses have in finding qualified IT staff in China, but also has a positive impact on local communities and their economic development.

"Through the partnership, Ambow will provide students with Oracle's latest core technology training, allowing the participants to be qualified for large database management jobs," said Ms. Yisi Gu, Ambow's Chief Technology Officer. "This collaboration with Oracle strengthens Ambow's leadership position in IT training within China."
