

## Dr. Jin Huang Honored by CIO Views in "10 Most Innovative CEOs to Watch in 2023"

CUPERTINO, Calif., March 9, 2023 /PRNewswire/ -- Ambow Education Holding Ltd. ("Ambow" or the "Company") (NYSE American: AMBO), a U.S.-based global education company, announced today that its founder and CEO, Dr. Jin Huang, has been profiled in the February edition of *CIO Views* as one of the "10 Most Innovative CEOs to Watch in 2023." In her profile, Dr. Huang shares her vision for the future of education, in which there will be no boundaries between online/offline, academia/industry, languages, or regions. For more than two decades, Dr. Huang has dedicated her career to making innovative educational technology available to build this vision out. Powered by patented, fully integrated technology, Ambow's newly launched HybriU service platform can help colleges, universities, and global corporations provide hybrid education and workforce training, instant AI translation, and simultaneous content creation to students and employees across the world.

"I'm very honored that *CIO Views* has selected me among so many talented, creative CEOs, and I sincerely thank the magazine for their profile," said Dr. Huang. "As Ambow continues to build out our U.S. operations, I'm especially pleased to share our company's history and to detail how HybriU can help connect the world through our patented, fully integrated hybrid education platform."
